

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains”

(Quran 14:46)

Let us start with this ayah, to show that Allah (swt) confirmed to us that the planning of the Kuffar is ever so great, and as big as mountains as they portray themselves to be, Allah describes to us that even if their plan was to make a mountain disappear, it would do them no benefit, Allah is aware of everything that man plans, and Allah is The Best of Planners. Still they plot and plan, and their plan has nothing to do with the betterment of mankind, and they are not planning to stop world hunger, nor is it to solve all the problems in the world, nor is it world peace, freedom or justice, they have only one aim and that is to destroy the natural disposition of man.

That disposition being the Fitrah, that thing that is inside every born child before their parents and the enemies of Allah turn them away from it, and that is to worship Allah (swt) alone, without associating any partners to Him, not in His Lordship, not in His Worship, not in His Names and Attributes and definitely not associating partners in His Right to Legislate and Make Laws.

And the only one pure, remaining way of life & religion that stands in their satanic way, the only true monotheistic religion on the face of the earth that has the strength to stand up to them is Islam. Islam and its followers, the Muslimeen.

The Kuffar see the world through their blinded hate, they are fixated on destroying everything and anything that is truly Holy. Just as they destroyed the ways of the People of the Book before us, they also destroyed anything of theirs that could resemble the monotheism that existed amongst all the Messengers of God. In its place they put Polytheism and every other Ism that goes against that Fitrah I mentioned in the beginning, damaging their sight to the point where they only see with one eye, and that one eye is foggy and full of bias.

‘Ubadah ibn al-Samit reported: The Messenger of Allah, صلى الله عليه وسلم, said:

“Verily, I have told you so much about the False Messiah that I fear you will not understand. Verily, the False Messiah is a short man, pigeon toed, curly haired, with one eye that is blind, neither protruding nor sunken. If you are confused about him, then know that your Lord does not have one eye.” (Sunan Abī Dāwūd 4320)

In Surat al hajj they try their best to stop people from entering the Kaaba;

“Indeed, those who have disbelieved and avert [people] from the way of Allah and [from] al-Masjid al-Haram, which We made for the people - equal are the resident therein and one from outside; and [also] whoever intends [a deed] therein of deviation [in religion] or wrongdoing - We will make him taste of a painful punishment”

(Quran 22:25)

This year no one from outside the areas of Mecca and Medina will make Pilgrimage to Hajj, no outsiders except the elite few to fulfil the rights of Hajj, we can conclude and say that those who will make Hajj this year maybe as few as the amount of people that participated in the Ghazwa of Badr.

What becomes evident as we start to look at the knowledge of the last hour, is that most of the minor signs have happened and been fulfilled, and we await now the major signs, but before the Major Signs begin to happen a very important figure that ties in the major signs to the minor ones has to appear. Of course that person is, Imam Mahdi.

Please Note:

I would like to make clear that what I state from here onwards in this article, is an informed, observed opinion. It is based on current events, certainly it is tied to the Qur'an and Sunnah, and particularly to certain Ahadith, that in my opinion, point towards something being close to happening. Again I reiterate, nothing that I say is revelation, and my words can be taken or rejected, this is in no way claiming some sort of knowledge of the unseen, as ('Ilm Al-Ghayb) knowledge of the unseen belongs only to Allah (swt). This in fact, is as I stated, an opinion, an observation, a theory, nothing more and nothing less. This article is written so that the reader can come to their own conclusion.

Everyone's words can be taken or rejected except for the Words of our beloved Prophet (saw).

The Issue With COVID-19:

Although the origins of COVID19 are not confirmed, many are still asking where did it the Corona Virus come from, there are so many theories, conspiracies and doubt surrounding where it came from, yet we know for certain and nothing escapes the Knowledge of Allah (swt):

"And Allah is Witness over all things"
(Quran 58:6)

Reflecting over the verse found in surah Al-Hajj, the verse speaks about the plans of the kuffar: ***"even if their plan had been [sufficient] to do away with the mountains"***.

Could this plan be such, that the Kuffar have come up with a way to prevent Muslims from doing one of their pillars. They have already closed most of the Masajid, they have already told us our prayer is invalid unless we are a meter and a half away from each other, while we know that we must pray, ankle to ankle, shoulder to shoulder. They have done away with the jama'ah prayer and Jumu'ah prayers just like that. Think about it, by using the COVID-19 social distancing measures, which by now have been implanted and programmed into the minds of all the people on the planet, they could suspend Hajj indefinitely, or until a cure is found. Could it be that for the first time in decades, the Hajj will be cancelled.

Without a doubt and as confirmed in the many ayat and Ahadith, the Kuffar do their best to stand in the way that leads to the pleasure of Allah (swt). How great is this plan that has stopped people gathering to worship Allah (swt), by banning Hajj, they have banned over 4 million people from visiting Makkah this year, and all is blamed on the invisible enemy, the so called COVID-19 Virus.

No other, worldly power could have stopped the Muslims in fulfilling this pillar, not a state, not a country, not a continent, none of them is big enough, strong enough or abrasive enough to stop Muslims from performing the pilgrimage to the *"Bayt al-'Atiq"* the Ancient House. The House of Allah (swt), The Qibla to which we all face when praying. The Kaaba at Mecca like every other year the Muslims would have celebrated the *Hajj*, the *Hujjaj* (pilgrims) would have then returned to their far away countries, telling the communities they live in, the magnificent stories of Hajj, it would always be an *Emaan* (faith) booster for those who sit and listen to the stories. Those listeners would then wish that they could one day do the same, make history fulfill the pillar of Islam and be able to tell their stories of the Hajj that they performed. However, this year..... this will not be the case.

"But they plan, and Allah plans. And Allah is the best of planners"
(Quran 8:30)

Looks like the only people that will be making Hajj this year will be the chosen few, even from the area of the Hijaz a few will come due to the threat of Covid19.

Allah knows best, but the very interesting thing to note is that Eid Al-Adha, the day after Arafat, and Arafat is Hajj, this year, may land on a Friday. And when two goods come together in Islam, the good becomes even greater, if so, it is a

“Greater Hajj”. In other words, Eid will be on a Friday and both days are considered as a day of celebration for Muslims, hence the title when this occurs is, the Greater Eid.

This occurrence fits in well with the Greater Hajj which is spoken of. The one that announces the arrival of Imam Mahdi, and the very small number who will give him the oath of allegiance, which will make this Eid one to watch closely. Keep in mind that those who give him the Baya’ah (oath of allegiance) will initially be only few in number, about the same number as the people of Badr, and never has there been a time when so few pilgrims will be at the Hajj, like this year.

Could this be it, are we in the last quarter...

Let us go on, from the hadith that speaks of Imam Mahdi, we understand that he will appear after the death of a Khalifa, the million-dollar question then becomes. Has a Khalifa died recently, well one claimant did, but for most, he was not recognized as a legitimate Khalifa.

Narrated Umm Salamah, Ummul Mu'minin: The Prophet (ﷺ) said:

“Disagreement will occur at the death of a khalifa and a man of the people of Medina will come flying forth to Mecca. Some of the people of Mecca will come to him, bring him out against his will and swear allegiance to him between the Corner and the Maqam. An expeditionary force will then be sent against him from Syria but will be swallowed up in the desert between Mecca and Medina. When the people see that, the eminent saints of Syria and the best people of Iraq will come to him and swear allegiance to him between the Corner and the Maqam. Then there will arise a man of Quraysh whose maternal uncles belong to Kalb and send against them an expeditionary force which will be overcome by them, and that is the expedition of Kalb. Disappointed will be the one who does not receive the booty of Kalb. He will divide the property, and will govern the people by the Sunnah of their Prophet (ﷺ) and establish Islam on Earth. He will remain seven years, then die, and the Muslims will pray over him”

(Abu Dawud said: Some transmitted from Hisham "nine years" and some "seven years")

We are in the first 10 Days of Dhul-Hijjah and Eid is approaching fast, none of us know the unseen, that is a fact.

“Say, None in the heavens and earth knows the unseen except Allah”

(Quran 27:65)

You reading this, think about the signs that Allah sends us, not every cloud has a silver lining.. Nonetheless, what we are witnessing is something that we will not witness again, and all of this does without a doubt point towards the end of time, but only Allah knows of that hour, and once again, this is only a theory....

Allah knows best.
